- Biomaterials, Cell & Tissue Engineering, Biofabrication
- Biomedical Signal and Image Processing
- Neural Engineering and Micro and Nano-technologies
- Biorobotics, rehabilitation & Assistive Technologies
- Design and Validation of Biomedical Devices
- Bioinformatics and Synthetic Biology

The **GNB Congress**, held on a biennial basis since 2008, provides an overview of recent activities and breakthrough research in the field of bioengineering in Italy and in the world.

The **9th edition of the GNB Congress (GNB2025) will take place on June 16th - 18th, 2025 at the University of Palermo.**

The GNB 2025 will be organized in conjunction with the ESB-ITA 2025 for a unique four-day event on biomedical engineering in Palermo!

Best oral and poster presentations will be awarded with **GNB 2025 Awards** (the exact number of awards will depend on the final number of sponsors).

Submission Guidelines

All papers must be original and not simultaneously submitted to another journal or conference.

All papers (limited to 4 pages in length) must be prepared with the template available on the Conference website

<https://www.gnb2025.it/>

The Proceedings of the GNB Congress 2025 will be published by Patron Editore - Bologna, which will take care of Scopus indexing.
